Sir,

With reference to your letter No. J.960 dated the 11th September 1917 enclosing copy of a question regarding the delay in the disposal of Criminal cases in the District and calling for statistics as to the pendency of cases of all the Courts and enquiring the authority under which the Assistant Commissioner and 1st class Magistrate, Sagar Sub-Division was asked to hold his Court in Shimoga for 10 days in the month, I have the honor to submit herewith a statement furnishing statistics as to the pendency of Criminal cases in each of the Courts of the District to the end of August 1917 except the statistics of the Taluk Magistrates' Courts of Honnali and Shikarpur which are not yet received and which are due only on the 15th instant.

2. As regards the authority under which the First class Magistrate, Sagar Sub-Division is said to have been asked to hold his court in Shimoga for ten days, I enclose copies of the Magistrate's letter No. 226 dated the 9th instant and my reply thereto No. J.C. 190 dated 10th/13th September 1917, wherein I have stated that "there is no objection to the Magistrate holding his Court at Shimoga whenever he considers it necessary to do so".

I had to transfer 40 Regular & Miscellaneous first class cases to him from the Shimoga Assistant Commissioner Magistrate's

Stating re- the delay in the disposal of criminal cases in the District and calling for statements showing the pendency of cases, all the cases and enquiries etc.,

Magistrate's Court recently, when I found the Chief Court unwilling to confer first class powers on Mr. Gopalaraj Urs immediately.

4. In addition to the Sagar Magistrate whose letter is enclosed, several parties and pleaders urgently requested me to arrange that the cases of the Shimoga Sub-Division should be heard in Shimoga, as they come from Channagiri, Honnali and other places about 80 miles away from Sagar. The permission sought by the Magistrate was therefore given in the public interest. As regards the authority for the act, in my humble opinion the first part of Section 12 of the Criminal Procedure Code under which Magistrates of every class are appointed for a District as a whole and Section 177 Criminal Procedure Code prescribing the ordinary place of trial and enquiry in Criminal cases cover the procedure sanctioned, and on this authority, I have often held my court as first class Magistrate of Maddagiri at Tumkur under similar circumstances to suit the convenience of parties and witnesses from the Gubbi Sub-Division without even making a reference to the District Magistrate.

I have the honor to be,

Letter No. 226 dated 9th September 1917 from the 1st class Magistrate, Sagar Sub-Division to the District Magistrate, Shimoga.

I have the honor to bring to your notice that you have been pleased to transfer the jurisdiction of first class cases of all the Taluks of Shimoga Sub-Division and of Tirthahalli Taluk to My court in addition to the work of my Sub-Division. In the interest of Pleaders, parties and witnesses, the cases of the Shimoga Sub-Division and of Tirthahalli Taluk have to be tried in Shimoga camp. It is not always possible to try cases at one stretch in Shimoga once a month. They will have to be adjourned for defence or for some other valid reason and in cases where the accused are in lock-up two or three hearings in the same month will have necessarily to be held.

2. I request therefore your general sanction to me to hold my Court at Shimoga whenever it is found necessary.

Sir,

With reference to your letter No. J. 1044/cts.61-16 dated with no date calling for information on the several points raised in clauses (b),(d),(e),(f),(g) and (h) of question I sent by Mr. Sitaramaiya, I have the honor to state as under :--

1. As to clause (b). It is true that the District Magistrate cannot find any time to entertain and try all original cases of the Shimoga Sub-Division which during 1916-17 were 146 including both Regular and miscellaneous cases of previous years. In addition to other heavy work he has a heavy file of miscellaneous cases and appeals which were 139 as detailed in the margin during 1916-17. There is of course no objection to his entertaining and trying some important cases now and again as required under the standing orders.

together with the average pendency of cases in the three Courts. It will be noticed that no less than ten changes have occurred in Assistant Commissioners who have been in charge of the Shimoga Sub-Division during the short space of two years from 11th August 1915 to 12th August 1917.

3. As to clause (e). Statements' Nos. VII and VII (a) give information as to the number of pending criminal cases at the end of August 1917 and the reasons for pending . They are the oldest pending cases on record.

Statement VIII gives similar information as regards Revenue cases.

4. As to clause (f). Statement IX gives the Criminal cases that were tried De-novo with reasons therefor.

5. As to clause (g). Statement X gives the number of criminal miscellaneous cases under Section 145 Criminal Procedure Code pending in the several Sub-Division Courts.

Criminal miscellaneous case No. 133 of 1914-15 of the Shimoga Taluk is the only case pending disposal for more than two years in the Shimoga Assistant Commissioner Magistrate's Court and it will be noticed that there is no such case either in the Treasury Assistant Commissioner's Court or in the Sagar Sub-Division Officer's Court.

6. As to clause (h). Both Mr. G. Rudrappa who assumed charge of the District Treasury on 13th June 1917 and Mr. Gopala Raj Urs who assumed charge of the Shimoga Sub-Division on the 11th August 1917 are only Magistrates of the 2nd class. A recommendation was made by this Office No. 44 dated 1st August 1917 to the Honorable the Chief Court to invest Mr. Gopala Raj Urs with first class powers even before he assumed charge of the Sub-Division and on further correspondence tending to show that the

investiture

investiture might be delayed a further recommendation was made to at least to reinvest him with 2nd class powers, which he had once exercised pending investiture with 1st class powers already recommended. The order investing him with 2nd class powers was communicated to Mr. Gopala Raj Urs on 4th September 1917. In the meanwhile two of the first class cases of the Shimoga Sub-Division were transferred to the Sagar Assistant Commissioner on the 13th August 1917 as they related to accused who were in the Lock-up, two more cases on the 18th August 1917 and 44 cases on the 12th September 1917. No first class cases were ever pending in the Treasury Assistant Commissioner's Court. Magistrates as they were immediately transferred to the Shimoga Sub-Division Magistrate's Court.

I have already sufficiently explained in this Office letter No. J.C. 209 dated 14th September 1917 the circumstances and the authority under which the first class Magistrate of Sagar was permitted to hold his court at Shimoga for disposing of cases of the Shimoga Sub-Division.
